ANTIBACTERIAL (Stage 6)

- Prevents growth of microorganisms inside the water tank.
- 12 months

FEATURES & FUNCTION

Power Saving System

The numbers of operating motors and heater decrease automatically at night to reduce power consumption.

Low Water Level Sensor

The indicator is turned on when the water level of the inner water tank becomes low.

Mood Lamp

Illuminates the product when there is insufficient lighting during the night.

Child Safety Lock

Keeps young children safe from accidental hot water burns.

WHAT MAKES VILLAEM II SO SPECIAL?

Four Water Temperature Selections

Dispense ambient, cold, warm and hot water to suit the preferences of all ages.

User Friendly Knob

Water extraction at your desired temperature can be done with only a simple twist on the knob.

Smart & Minimalist Design

Simple, neat yet sturdy, the appearance of this water purifier fits modern homes well.

Villaem VS Villaem II
